Between:

.. **PETITIONER**

And:

The District Educational Officer,
Hyderabad District, Hyderabad
and others.

…**RESPONDENTS**

ORDER:

The petitioner is a private Educational Institution admitted to grant-in-aid. Substantial number of posts in it, are admitted to grant-in-aid. In the recent past, the Government has undertaken the process of rationalization, for the purpose of identifying the surplus posts, if any, in aided schools, and to transfer the posts together with the incumbents against the existing vacancies of aided teachers of identical category in the same District. Such a process has been the subject matter of the orders passed in various Writ petitions and Writ appeals.

The District Educational Officer, Hyderabad, first respondent herein, issued proceedings, dated 18.11.2005, stating that one post of Hindi Pandit has been

identified as surplus in the petitioner-School, and directed the petitioner-school to identify the junior most Hindi Pandit and instruct him to attend the counseling on 21.11.2005. The petitioner challenges the said proceedings.

Sri G.Vidya Sagar, the learned counsel for the petitioner, submits that the Government prescribed a detail procedure to be followed in the matter of rationalization, through its order in G.O.Ms.No.103, dated 05.08.2005, and that though 30th September of the previous year was to be treated as the basis for ascertaining the strength for this purpose, the respondents have not followed the same. He has also placed reliance upon G.O.Ms.No.1, dated 01.01.1994, in this regard.

The learned Government Pleader for School Education, who has taken notice at the stage of admission, submits that the process of rationalization was undertaken strictly in accordance with the procedure prescribed under various Government Orders as well as the Judgments rendered by this Court. He contends that being a pure question of fact, it cannot be canvassed before this Court. He further urges that a right of appeal is provided for under Section 89 of the Andhra Pradesh Education Act, 1982 (for short 'the Act'), and that the petitioner can avail the same.

Through the impugned proceedings, first respondent treated one post of Hindi Pandit in the petitioner-School as surplus and had directed the petitioner to instruct the junior most Hindi Pandit to attend the counseling. The process of rationalization has been taken up by the respondents with a semblance of vigour to ensure that the Government funds are not wasted, where the posts are not required, and fresh appointments be not made, where the vacancies exist. No exception can be taken to such an exercise. In fact a Division Bench of this Court exhorted the respondents to undertake this exercise within a stipulated time.

Respondents 1 to 3 were under obligation to ensure that the guidelines stipulated by them for this purpose are scrupulously followed. Any deviation, in this regard, would have its own impact on the functioning of the Schools. Section 89 of the Act provides

for an appeal against the orders passed by the different authorities. The order passed by the District Educational Officer is appealable to the Director of School Education, 2nd respondent herein. The interests of the petitioner can be protected by directing the maintenance of status quo for some time.

For foregoing reasons, the Writ Petition is disposed of, leaving it open to the petitioner to prefer an appeal under Section 89 of the Act before the 2nd respondent, narrating its grievances, within a period of one week from today. Status quo obtaining as on today shall be maintained, for a period of three weeks. The 2nd respondent shall examine the matter and in case, the appeal is not disposed of within a period of two weeks from the date of presentation of the same, he shall pass appropriate orders to protect the interests of the petitioner, till the disposal of the appeal. There shall be no order as to costs.
